

Creating an Optimal Value NHS in Wales

FMLM Wales Regional Conference 2017

19-20 July 2017 | Cardiff Metropolitan University

Programme Overview

How do we balance the need to deliver the best in patient care while increasing efficiency and reducing the cost of health care? Together delegates will explore how medical leaders can help shape services to provide the best outcomes for patients within the resource provided.

Join the **discussion** and explore themes such as:

- Increasing healthcare value
- Making best use of resources
- Reducing unwarranted clinical variation
- Improving efficiency

Speakers confirmed include:

- **Mr Vaughan Gething AM**, Cabinet Secretary for Health, Well-being and Sport, Welsh Government
- **Dr Chris Jones**, Deputy Chief Medical Officer, Welsh Government and Founding Senior Fellow, FMLM
- **Dr Thomas Kelley**, Vice President of Administration and Business Development, International Consortium for Health Outcomes Measurement
- **Dr Amanda Goodall**, Senior Lecturer in Management and Co-Director Executive Masters in Medical Leadership, Cass Business School

Abstracts

We invite you to submit abstracts for poster presentations exploring the four themes listed above. Submissions should relate to original work and we welcome ingenuity and originality in presentation. They may report research or evaluation results, or be descriptive, showcasing a new initiative or describing a new approach or theory.

Abstracts should be no more than 300 words in length and must be submitted through the [online submission portal](#) by 09:00, 30 June 2017.

High quality abstracts will be selected for poster presentation and exhibition

5 CPD points available
